Other Cllr Members attended as members of the Electorate

Cllr Argument, Cllr N Firth, Cllr C Flynn, Cllr M Sanderson, Cllr Hallsworth, Cllr Garbutt

MOP : 3

The Chair opened the meeting by reading a Summary Report of the Parish Council activities for the year 2020/ 2021.

Which included the difficulties and issues relating to the Covid 19 Pandemic, and the return to face to face meetings in June 2021

The meeting was opened up for electorate / public discussion

A member of the public / electorate stated he was recording the meeting, and went on to make a verbal statement – the Chair attempted to ask the member of the electorate if he had specific items to discuss, he continued by making personal comments in regard to the Clerk and her employment. The Chair asked him to cease the statement and nature of the conversation. The member of the electorate was eventually muted by the Chair for failing to follow guidance on behaviour and appropriate items for discussion by the electorate being Village affairs, not the Clerks employment.

The Chair opened the meeting up again to the other members of the electorate present – there were no further comments

The meeting closed at 18.50
