112/14 The Council asked the Clerk to write to SBC regarding their concerns about parking within the village. Why tickets have not been issued, what their policy is regarding parking and where their jurisdiction ends and the police take over also a weekend contact number for Parking Officers.

- 113/14 Concerns were raised regarding the amount of rats and mice on the allotments. It was felt that each allotment holder should be responsible for this matter and not the Council. Resolved.
- 114/14 Each Councillor was given a map of the Thornton Le Dale road system and was asked to write on the back any concerns they had regarding the double and single yellow lines, incorrect signage or any other anomaly they are aware of. On completion the Clerk will forward this information to Highways.
- 115/14 An email was received from B McLinden (PARKS) regarding the continued absence of a new lighting fixture in the car park. He alleges that they are still waiting for a contractor to carry out the installation and hopefully the matter will be resolved in the near future. The Clerk was asked to closely monitor the situation.
- 116/14 A letter was received from NYCC regarding the reduction of payments towards our grass cutting and maps showing the areas that NYCC will be responsible for. As of yet they have not disclosed how much our reduction will be.
- 117/14 The Clerk had not yet received a reply from YORWASTE regarding the problems at the tip and was asked to contact them again.
- 118/14 The Scots Pine in the churchyard has grown so large that the branches are nearly touching the church clock and others are overhanging Priestmans Lane and could become a hazard to traffic. The Clerk was asked to contact a tree surgeon and arrange for an estimate to rectify this problem.
