NYM/2015/0157/AD

6 CORRESPONDENCE

- 63/15 Stopping up of highway – Prospect Place. This will be placed before Scarborough Magistrates Court on the 3rd July 2015.
- 64/15 Councillors M Sanderson, P Charles, S Bell, J Garbutt and S Crabtree applied to take up the opportunity to serve on the NYMNPA. The results will be known on Friday 12th June.
- 65/15 Jane has been looking into possible locations to mount the proposed village defibrillator. The preferred location was the wall of the Buck Inn. Planning is not required but the Buck is a listed building as are most of the village centre buildings, so would need the appropriate consent (Chris France - NYMNPA). There are also concerns about folk dashing across the road at an already very busy point. It was suggested that it could be placed on the wall of the Institute but it is very restricted where space is concerned. The dimensions of the defibrillator should be ascertained and possible locations discussed again in June.
- 66/15 Thornton Le Dale Playing Field Association asked if we would purchase a refuse bin to replace the one stolen early in the year. The Clerk was asked to contact the Association to ascertain the cost of the said bin.
- 67/15 The Clerk was asked to find out the cost of a new litter bin in Priestmans Lane.
- 68/15 The Clerk was asked to contact SBC regarding the inconsiderate and dangerous parking on A170 during car auctions. The Clerk pointed out he had contacted SBC parking division requesting one of their Officers to attend one of our meetings to enable the Council to ask relevant questions regarding parking within the village and again pointing out the problems during auctions but had as yet received no reply.
- 69/15 Gravestones in the cemetery and graveyard require assessing as to their stability and safety. The Clerk will contact Atkinson's, the stone mason, to find out what the cost would be to carry this out bi-annually.
- 70/15 Mr Ian Cooke a Senior Officer from the Environment Agency will walk the length of the Beck, on Friday 15th May, through the village, to identify any areas where work is required to alleviate flooding.
- 71/15 The new and existing Councillors were recommended to read the Good Councillors Guide. This is available on our web site.

72/15 A parishioner had complained about the state of the road in Hurrell Lane and the Ginnell between Roxby Road and the Crescent. The Clerk stated that he would contact NYCC about the road and would look further at the problems in the Ginnell.

73/15 The Clerk will contact PARKS regarding the Pinfold situation. At this moment the Pinfold is registered on the Land Registry to the owner of Brookfield and has been so since September 2003.

7 FINANCE

1 The internal audited accounts were presented to the Council and approved. The Chairman then signed the relevant documents for presentation to the external auditors.

2 The Chairman asked that the Councillors be presented with all emails appertaining to the VAS signs so they may form an opinion before the meeting in June and decide what approach the Council should make regarding the continued use of them.

3 The Clerk will contact Mr J Naphine and ask him to contact the Chairman regarding the areas of grass that Mr Naphine cuts.

4 The Clerk is to arrange a meeting next week with the applicant for the caretaker's position and Councillors Garbutt, Charles and Mr Thomlinson.

5 All Councillors agreed with the expenses for April and the Chairman duly counter signed the cheques.

DATE OF NEXT MEETING

Tuesday 2nd June at 1930 hrs in the Hill Memorial Institute.

The meeting closed at 2105 hrs.
