The Council had no objections to this application.

b) To receive notification of outcomes of planning matters previously considered.

None this month.

7 Chairman's Report:

71/18 YLCA Joint Annual Meeting

This was well attended even with 37 councils giving their apologies which pointed up to those unaware quite how large Yorkshire is.

The president's address considered the role of the president, emphasising that he has tried to be an 'active' president. The organisation is 75 years old next year so there was anticipation that there will be 'events' of some kind to be planned and executed.

Mike Ellsmore was re-elected as president.

Some time was spent on the Annual Review document which makes interesting reading in places.

There has been restructuring of the Executive and it has been scaled down from 32 to 22 members.

The Constitutional additions/amendments were agreed uneventfully.

There were several resolutions from branches Ryedale branch resolutions were carried nem con.

South Yorkshire's on the route of HS2 was also carried (16+, 2-)

The Wakefield resolution regarding the wider consideration of the HS2 route was not proposed and thus failed.

8 Councillor / Working Party Reports

72/18 1 Toilets are to be upgraded / refurbished using funds from fundraising activities.

- 2 New Constitution – as adopted at the AGM has been submitted to the Charity Commission. Re-registration will be required and a new charity number granted.
- 3 The committee noted that the Village Hall Deeds showed that the recessed areas of pavement at each side of the front steps were Village Hall property. Members asked that the boundary between the highway pavement and Village Hall property be clearly delineated to prevent any misunderstanding.

9 Clerk's Report:

None this month.

10 Village Maintenance Issues:

73/18 Councillor D Porter voiced concerns regarding the discharge of effluent into the Beck by Yorkshire Water when high rainfall occurs. The Council asked the Clerk to invite a representative of Yorkshire Water to attend one of our meetings and clarify the situation.

74/18 A representative of the Hub Group gave a comprehensive report on the work recently carried out by the Group and dates of future meetings. The first litter pick took place on Sunday 15th July and a large number of volunteers attended. Dates for Sunday activities have been organised (once a month until October) the next session is on 12th August at 10 am.

The first meetings have taken place to launch the Pond Project and the Spring Bulb/Village in Bloom Project and more than thirty volunteers attended.

The representative put forward that the Group would paint the railings in the village and NYM and NYCC would provide the relevant safety gear and help them to provide a risk assessment. The PC agreed to pay for paint, brushes and any materials required to carry out this task.

The Hub invited Parish Councillors to participate at meetings and working groups.

75/18 The transfer of the village lighting from RDC to the Parish Council was debated but the Council thought it should be put on a future Agenda when more information is forthcoming.

76/18 The bench that had inadvertently been moved was returned to its original position. The family will be informed. Resolved.

11 Motions Proposed by Councillors:

77/18 The amended Model Standing Orders will be placed on next month's Agenda.

12 Correspondence:

None this month

13 Training

None this month

14 Items for next month's Agenda

78/18 Update on the Hub Group and the amended Model Standing Orders

Date of next meeting.

Tuesday 4th September 2018 at 1930 hrs in the Hill Memorial Institute

The meeting closed at 2100 hrs.
