Minutes for Parish Council Meeting No 8
Held Tuesday 2nd October 2018 at 7-30 pm in the Hill Memorial Institute

PRESENT

The meeting opened at 1930 hrs with Councillors S Bell (Chair), J Garbutt (Vice Chair), G Acomb, M Sanderson, D Porter, J Sanderson, M Boden (Clerk) and five members of the public.

NOTICE OF MEETING

Resolved. That notice of the meeting had been given in accordance with schedule 12 para 10(2) of the Local Government Act, 1972.

1 APOLOGIES

Councillor P Charles and Councillor S Crabtree.

2 To receive reports/ presentations from NYCC and RDC Councillors

88/18 Councillor G Acomb reported that RDC will shortly be providing a rota for the road sweeping in the village. This will allow better co-ordination between the Caretaker and the Hub Group when carrying out work in the village. If any resident receives a visit from a “Cold Caller” who proffers a Hawkers Licence they should close the door on them immediately and call the Police; these licenses are fake.

89/18 Councillor J Sanderson said that NYCC will shortly be providing a winter work schedule for North Yorkshire. The salt/grit pile in Dog Kennel Lane is being washed away by the rain and is killing off the grass verge nearby. Janet recommended that a container should be provided for it as previous suggestions were not feasible.

3 Minutes:

Resolved. That the Minutes of the following meeting, as circulated and taken as read, be and are hereby accepted as a true record of the proceedings thereat: -

90/18 The transfer of the footway lighting function was discussed, and the Council accepted the transfer from RDC to Thornton le Dale PC to take effect from 1st April 2019. The Chair signed the relevant document, and this was countersigned by the Clerk. Resolved.

91/18 The expenditure for October 2018 was proposed to be accepted by Councillor S Bell and seconded by Councillor D Porter. All Councillors were in favour. The Chair duly countersigned the cheques.

6 Village Maintenance Issues:

92/18 Residents have asked if a choice is available for the type/style of the new lights being installed in the village. It was pointed out that seventeen of the twenty-four lights had already been installed and connected to the system and it was felt that the remaining seven should reflect those already fitted. The Clerk was asked to make enquiries regarding bespoke fittings and costs for the lanterns.

93/18 Councillor D Porter enquired if the new base that had been placed in the cemetery was to remain as is. The Clerk pointed out that further work remained and that kerbs surrounding the individual plots had yet to be replaced. Councillor Porter then enquired if any restrictions were in place regarding placing stone work around a grave. The Clerk informed him that there wasn't, but a drawing of the intended work was required to be seen and OK'd prior to work commencing. Councillor J Garbutt asked the Clerk to obtain a drawing of the intended completed work prior to the Council agreeing to the work.

94/18 The Thornton le Dale Village Hub Group continues with voluntary work throughout the village. Those on my mailing list will receive the full report. The following is a summary of that work:

Litter and kerb cleaning session, continuing work on the pond project and liaising with Parks on this and other matters, new car parking signs will shortly be in place, planting of the spring bulbs will start at the end of October, the painting of the railings is well under way and the Hub has spent 82 hours on them up to now; they intend to register as a charity and are receiving help in carrying this out, a meeting has been arranged to set up the Village in Bloom and they hope to move forward with this soon, The Hub will be featuring in the next edition of the National Parks Moors Messenger and finally the Hub's Facebook and email account are:-
